

RaceClean™

# UPDATE

Dear Member:

So far this year, your RaceClean surcharges have funded 113 tests at the amateur level. That's more than triple what we'd accomplished by this time last year and it's only 22 tests away from our year-end goal which we'll certainly exceed.

As a reminder, these tests funded by RaceClean target amateurs and make up only one part of the anti-doping testing here in the U.S. Race directors, trade teams, local associations, and the UCI also fund testing nationwide. USADA alone has funded 150 tests already this year at USA Cycling National Championship events (that is in addition to the 113 tests funded by RaceClean!) And we still have 5 months left this year! Click on our pyramid below for a better understanding of who gets tested, and who funds tests in the U.S.

## NUMBER OF TESTS

July 2016: 6  
July 2015: 6  
YTD 2016: 113  
YTD 2015: 29  
Target 2016: 135  
Total 2015: 45

## CHECK PRESCRIPTIONS

USADA makes it easy to ensure you're competing within the rules. Call [USADA's Drug Reference Hotline](tel:719-785-2000) at 719-785-2000 (option 2) to check your medications against the prohibited list.

## REPORT A TIP

If you suspect a competitor of using performance enhancing drugs, leave an anonymous tip to help us determine who and where to test. Call the [PlayClean Tip Line](tel:1-877-752-9253) at 1-877-752-9253 to leave your tips.

#CompeteCleanOrGoHome

Last month, we challenged our readers to take part in USADA's

#CompeteCleanOrGoHome campaign on social media. Check out our favorite posts below. If one of these is yours, we'll contact you on social media to make sure you get your prize!

That's all for this month. For more information please visit the [RaceClean webpage](#). If you have any questions or if there's anything specific you want to hear about in a future report, don't hesitate to contact me at [jwhiteman@usacycling.org](mailto:jwhiteman@usacycling.org)!
