**USA Cycling Official's Category C Online Course**

**There are three steps to becoming USA Cycling official:**
- Successfully complete the Category C Online Course with a 70+% score
- Complete the USOC's SafeSport Training
- Complete a Background Check through USAC's vendor – NCSI

**HOW TO: Complete the Category C Online Course**
- Go to the course using this link – Category C Online Course
- Attempt to log into the course link using your USA Cycling credentials (email/password). If you don't have a USA Cycling account, create one here.
  - If the log in fails, use the "forgotten your username or password" link on the course link log in page. If the email exists in the LMS system, you will receive an auto-generated email with the information on how to reset your password
  - In the event you are unable to recover your log in information, create a new account on the course link log in page. This will create you an account in the LMS system
- Now that you are logged in, under "Available Courses", search for "Officials – Category C Online – Legacy" or use the link above. This will direct you to the enrollment page
- Scroll to the bottom and click "Enroll Me"
- All training materials are available under the "Training Materials" section

**Additional Information:**
- This course is self-taught, self-guided and automatically graded upon completion
- The folder "Category C Online Materials" contains PowerPoint slide decks of the information taught for the in-person courses
- The exam is open book, open notes, and must be completed with a 70%+ score to pass. Multiple attempts are allowed
- Upon successful completion of the course USA Cycling will be notified and we will reach out with additional information, including how to complete SafeSport training and your background check.

If at any point you run into issues or have questions, don't hesitate to reach out to USA Cycling's Technical Department at officials@usacycling.org.

*Thank you for your interest in becoming a USA Cycling Official!*
