

## MOUNTAIN BIKE NATIONAL CHAMPIONSHIPS

JULY 2021 • WINTER PARK, CO

Below you will find final event COVID protocol for Mountain Bike Nationals. This protocol is a mixture of guidance from the CDC, Grand County COVID restrictions, as well as from our Chief Medical Officer. We ask that all of these protocols be followed while at the event as we have athletes who do not qualify for the COVID-19 vaccine.

Updated June 28, 2021

1. Testing requirements
  - a. No testing is required
2. Mask requirements
  - a. All riders and support/staff wear masks during registration/packet pickup and meetings
  - b. Per CDC guidance, fully vaccinated people attending the event are not required to wear masks
    - i. Fully vaccinated means:
      1. 2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or
      2. 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine
  - c. Per CDC guidance, unvaccinated people attending the event should continue to wear masks and social distance
3. General requirements
  - a. Daily self-health check, <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/coronavirus-self-checker.html>
  - b. Contact Tara McCarthy, [tmccarthy@usacycling.org](mailto:tmccarthy@usacycling.org) if athlete or rider support/staff is showing symptoms or are alerted that someone they've been in close contact is showing symptoms for further guidance.
  - c. Maintain social distancing
4. Anti-doping procedure
  - a. Mask are required for all athletes and support staff if athlete has been selected for anti-doping testing
5. Spectators
  - a. There are no spectator limitations
