To our friends with USA Cycling,

On behalf of the Clay County, FL Board of County Commissioners, we welcome you and your competitors to our area for the 2021 USA Cycling Road Amateur Nationals on June 24-28.

The courses at Camp Blanding, our valued partner, present a great challenge for the athletes as they compete for a crown worthy of a national champion. Our entire community looks forward to seeing the criterium, as it is a fun opportunity for our residents to immerse themselves in the enjoyment of the event.

Clay County is a unique part of Northeast Florida showcasing a large area with more than 220,000 residents displaying a small-town charm with big passions. Everyone here looks forward to welcoming all the athletes, friends, families, and fans for an exciting week of competition.

We wish all the competitors the best of luck in the championship and hope that they and their family and friends get to enjoy the unique experiences our area has to offer.

Thank you again for the chance to host this prestigious championship!

Sincerely,

Howard Wanamaker
County Manager

EVENT INFO

NATIONAL CHAMPIONSHIP COVID-19 PROTOCOL

Below you will find final event COVID protocol for Amateur Road Nationals. This protocol is a mixture of UCI COVID protocol, information from the CDC, as well as from our Chief Medical Officer. We ask that all of these protocols be followed while at the event as we have athletes who do not qualify for the COVID-19 vaccine.

1. Testing requirements

- Type of test required- PCR or antigen testing
- Who is required to test
 - Every racer and team support staff who hold a license such as a DS or mechanic who are in team cars.
- Timing of testing is within 3 days of number pickup/onsite registration. A timeline can be found here, s3.amazonaws.com/usac-craft-uploads-production/assets/AM-RD-COVID-Testing-FINAL.pdf
- Test results will be required to pick up numbers
 - If someone has tested positive and they have already arrived in Knoxville- please contact Tara McCarthy, tmccarthy@usacycling.org for further guidance.

2. Mask requirements

- All riders and staff wear masks during meetings and up to the start line
- Support staff in cars are required to wear masks
- Spectators are required to wear masks

3. General requirements

- Daily self-health check,
www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/coronavirus-self-checker.html
- Contact Tara McCarthy, tmccarthy@usacycling.org if athlete or team staff is showing symptoms or are alerted that someone they've been in close contact is showing symptoms for further guidance.
- Maintain social distancing
- No contact at the finishline or awards ceremony

EVENT INFO

EVENT INFO

Each event specific COVID-19 protocol will identify a local testing location if participants are unable to receive a test in their home state. Receiving a negative test is still required prior to participation in the event.

It is also recommended that you follow all [local](#), [state](#), and [CDC guidance](#) after you travel.

FACE COVERINGS

The following are **ACCEPTABLE** face coverings:

- Fabric face coverings that cover both the nose and the mouth
- N95 or KN95 mask that covers both the nose and the mouth
- Medical mask that covers both the nose and the mouth

The following are **NOT ACCEPTABLE** face coverings:

- Masks with valves, mesh, or holes of any kind
- Neck gaiters
- Open-chin triangle bandanas
- Face shields without additional nose and mouth coverings
- Approved face coverings that do not cover both nose and mouth

Participants are responsible for providing their own face coverings, though if someone forgets their mask, additional masks will be available at multiple locations at the venue.

REVIEW PROCESS

If anyone receives a positive COVID-19 PCR test result, while remaining asymptomatic, on route to the event, they will have the opportunity to test out with two negative COVID-19 PCR tests one day apart, prior to training or competition. Prior to receiving two negative results that individual must quarantine and will forfeit the ability to compete if they are observed not quarantining.

EVENT CHANGES

Event changes are possible in the lead up to each National Championship as the situation changes. We will continue to update people via the event websites, our National Championship newsletter, along with direct communication to registered riders.

ACCESS RESTRICTIONS

To help prevent congestion in the normal gathering areas there will be a new process for the below listed zones. This will be discussed in the virtual pre-event meetings, as well as in each event's detailed COVID-19 procedures.

- Registration
- Race start
- Finish line
- Feedzone/techzone/infield/pit
- Awards

DURING THE EVENT

In the event that participants, team staff, or event staff are showing COVID-19 symptoms or have tested positive; USA Cycling and the COVID-19 coordinator in alignment with the local health department will determine if the event would be cancelled for the safety of the entire racing community, as well as the local community.

EVENT INFO

UNITED STATES ANTI-DOPING AGENCY

The United States Anti-Doping Agency is the independent anti-doping agency for the Olympic Movement in the United States. USADA is dedicated to eliminating doping in sport, preserving the well-being of sport, and ensuring the health of athletes through drug testing, research initiatives, and educational programs.

SELECTION OF RIDERS FOR DOPING CONTROL

By registering to compete at this event you have consented to be subject to drug testing and adhere to the penalties associated with an anti-doping rules violation. Noncompliance or refusing to be tested will result in the same penalties as a doping violation.

For more detailed information concerning USADA protocol and banned substances, please visit the USADA website at www.usantidoping.org.

All athletes should check the USADA Anti-Doping Station once they complete their race. If athletes are selected for testing, numbers of selected riders will be posted here. Due to Covid 19 Protocols, there will not be a Results board on-site. All results will be posted online.

RESULTS

Due to Covid 19 Protocols, there will not be a Results board on-site. All results will be posted online [HERE](#)

The protest period is 30 minutes after results posting, after which time they become FINAL. In accordance with Covid 19 protocol, all protests must be lodged via electronic document found by scanning QR code labeled "Protests" placed around venue.

Final results will also be posted to the USA Cycling website

AWARDS

All podiums will be presented on-site during each race event per day, according to the schedule laid out within Official Race Schedule.

The top-3 male finishers in the UCI categories U23 and Jr 17-18, and the top-5 finishers in each category are required to participate in the appropriate award ceremonies. The riders must report to the awards area at the appropriate times.

No bikes will be allowed on the podium during the ceremonies. The US National Champion's jersey will be presented for all categories with at least one official finisher.

Awards will be presented at scheduled ceremonies, please pay attention to the timeline for the proper time of your award ceremony.

MEDICAL

Medical and EMS support will be on-site at all race venues by the Clay County Fire & Rescue Department. In the event of a transport, unless specified otherwise, patients will be taken to:

Road Race and Time Trial:

North Florida Regional Medical Center (Starke)
922 E. Call St.
Starke, FL 32091
(904) 452-2200

Criterium:

8km Circuit - Avenue D between Avon Park Ave and Eustis St. All feedzone supplies must be walked to the feedzone.

Feeding will be allowed from the right side (rider right) of the road only.

Lap feeding will be communicated based on weather condition in the nightly rider communique.

EVENT INFO

SEVERE WEATHER GUIDELINE

When looking at weather conditions, the safety of the athletes, spectators, staff, and volunteers is the utmost priority. While often providing an additional challenge, adverse weather in its extremes may result in hypothermia, heat exhaustion or other dangerous conditions. In preparation for the upcoming Collegiate Road National Championships in Clay County, FL; USA Cycling and a cross section of key constituents have created the following plan to help mitigate any weather-related risks while respecting the unique racing conditions of the sport.

In the case of severe weather, the following group would be empaneled to make decisions regarding the conduct of the race(s):

- Race Director: Kevin Benjamin
- USA Cycling Director of National Events: Tara McCarthy
- Local Organizing Committee: Joel Lamp
- Team Mgr – to be chosen prior to event time by USA Cycling
- Chief Referee: Mimi Newcastle

Other staff and experts may be included and consulted based on the specific conditions.

CONVENING THE PANEL

This panel would be immediately convened under the following circumstances:

- A NOAA special weather statement is issued for the race venue.
- Severe cold/heat and/or wind anticipated within 72 hours.
- Freezing rain, heavy snow or other threatening precipitation is forecast.
- Other atmospheric conditions that could affect the health and welfare of athletes, spectators, staff, and volunteers.
- Road conditions, travel and transportation to and from the venue, poses danger to volunteers, staff, spectators, or athletes.

Any member of the panel would also be empowered to request that the group convene based on conditions out-side of those mentioned above.

ACTIONS

The following actions may be taken based on the forecast and conditions:

- No direct action/monitor situation
- Modification of the course
- Change of start times (e.g. later starts when warmer or precipitation has stopped)
- Combining of classes and categories
- Shortening of individual races
- Change of start date
- Cancellation

In addition to the above actions affecting race participants, the following actions may be considered in relation to spectators, staff and volunteers:

- Increased medical staffing
- Warming/cooling areas provided
- Decrease in shift times/exposure

These lists are not exhaustive, and may be used in combination or separately on different days or at different times.

COMMUNICATIONS PLAN

Status updates, and if needed revised schedules, will be communicated to the affected parties through a variety of methods:

- An e-mail update will be sent directly to registered athletes/participants by USA Cycling
- USA Cycling will utilize its social media platforms to provide outreach to spectators and volunteers
- Venue announcements will be used in the case of on-site modifications and notifications, using Public Address System and posted materials at Race Office/Awards Stage.
- Credentialed media will be provided with updates through USA Cycling communications staff

AMATEUR ROAD NATIONAL CHAMPIONSHIPS 2021

CRITERIUM VENUE OVERVIEW

RULES & QUALIFICATIONS

All races are run solely under USA Cycling's regulations, except where specifically noted that UCI regulations prevail.

The following is a brief overview of USA Cycling National Championship rules.
For complete championship regulations, please see **Chapter 7 National Championships**.

Individuals attempting to pre-ride the course prior to the event or any scheduled practice day may encounter hazards including incomplete course construction or obstructions. The course may also cross private property and is also subject to change.

Those individuals pre-riding the course do so entirely at their own risk.

LICENSE/CITIZENSHIP/RESIDENCY REQUIREMENTS

ALL NATIONAL CHAMPIONSHIP PARTICIPANTS MUST HAVE A CURRENT USA CYCLING ANNUAL LICENSE OR VALID UCI FOREIGN FEDERATION LICENSE AS DEFINED BELOW. In 2021 USA Cycling is pleased to offer 18 and under riders with a free domestic annual license. Riders must also be licensed for the category in which they are attempting to register. If you do not have a current and valid USA Cycling annual license, the easiest way to obtain one is via the USA Cycling website at www.usacycling.org. You may purchase, renew and/or request a category upgrade online on your [My USA Cycling page](#).

JUNIOR 17-18, MEN U23: Must be a **United States citizen** and have a current

- **USA Cycling International License** with a USA racing nationality or
- **A foreign International License** with a USA racing nationality and a **UCI ID*** or
- **USA Cycling Domestic Annual License** with a **UCI ID***

JUNIORS 16 AND UNDER, AMATEUR MEN: Must be a **United States citizen** or **Permanent Resident** (verified) and have a current:

- **USA Cycling International License** with a USA racing nationality indicated or
- **A foreign International License** with a USA racing nationality and a **UCI ID*** or
- **USA Cycling Domestic Annual License** with a **UCI ID***

***UCI ID:** To compete in a USA Cycling National Championship, riders must have their date of birth, gender and citizenship or permanent resident status verified. Having verified this information, a free UCI ID is issued. If a UCI ID is not currently displayed on your license, log into your USA Cycling My Account and look for this in your Profile link. If these items are not listed or are incorrect, please do the following to update your account:

Create a copy of your birth certificate or passport and Permanent Resident Status (Green Card) as it applies, and mail, email or fax (719-434-4300) it to USA Cycling.

A UCI ID is your lifelong, internationally unique, identity number to confirm your racing status and maintain your privacy in internationally published registration and results documents.

YOU DO NOT NEED TO REPRINT OR PURCHASE A NEW LICENSE ONCE YOUR ACCOUNT IS UPDATED

CATEGORY & ELIGIBILITY REQUIREMENTS

At the time of registration, all participants competing in the USA Cycling Amateur Road National Championships MUST hold the minimum required category for their respective races as noted below. Riders will compete in their respective age-group based on their official racing age determined on December 31, 2021. "Racing up", per 1H4(c) is not allowed in this event. Due to the impacts of COVID, USA Cycling will allow riders who do not meet category restrictions to petition for an exception to compete. Such riders must provide a detailed race resume showing progress in category and experience racing in large and experienced fields.

Please [click here to submit a petition](#) to compete.

START & CALL-UP PROCEDURES

The below is the call up procedure we have used for past Amateur Road Nationals. With the lack of racing in 2020 and at the start of 2021 we are still determining the system we will use for call ups. This document will be updated shortly with the final call up procedures.

TIME TRIAL

Races will start with unranked riders, followed USA Cycling ranked riders, followed by last year's podium finishers if in the same age group, followed by aged up national champion, followed by the defending national champion.

ROAD RACE & CRITERIUM

Defending national champion, aged-up national champion, previous year podium (top 5),

+ next highest in USAC rankings in age group.

EQUIPMENT REGULATIONS

1. All UCI rules for bicycles AND components, will be in force for road national championship races in these classes. For more information, reference Part 1, Section 3 of the **UCI Rulebook** or review the following **UCI Equipment and Material page** with detailed information on equipment, verification and measurements of the bicycle that you will encounter. There is a helpful UCI Video that demonstrates the verification of dimensions on this page.
2. Socks and overshoes used in competition may not rise above the height defined by half the distance between the middle of the lateral malleolus and the middle of the fibula head. (UCI article introduced on 15.10.18)
3. Disc brakes are allowed.
4. Following is a brief overview of the key UCI bicycle regulations.
 - a. Weight of the bike shall be a minimum of 6.8 kilograms.
 - b. Wheels must be of the same diameter, between 55.0 and 70.0 cm.
 - c. Wheels used in road races (time trial is not a road race) must have at least 12 spokes and be listed on the **UCI's approved wheel list/UCI's Non-standard wheels list**, or have at least 16 metals spokes and meet the other specifications of a traditional wheel per UCI regulation 1.3.018.
 - d. Frames must be of a double triangle configuration.
 - e. The nose of the saddle must be at least 5cm behind the vertical plane of the center bottom bracket.**
 - f. The angle of the saddle must be within 9 degrees of horizontal, up or down, measured by a plane passing through the highest points at the front and rear of the saddle.
 - g. The end of handlebar extensions can extend no further forward than 75cm, measured from a vertical line through the center of the bottom bracket, to the end of the handlebars**. The end of the handlebars includes the end of the shifter mechanism in its maximum forward position.
 - h. All components, handlebars, seat posts, etc., must meet the UCI 3:1 aerodynamic ratio rule.
 - i. Equipment presented at bike check may not be modified to meet rules, e.g. no cutting/grinding of frames, no sawn-off saddles or shifters.
 - j. Extensions must have two hand holds. Elbow pads must be two separate pieces with a maximum size of 12.5 cm x 12.5 cm and have a maximal inclination of 15 degrees.
 - k. Height difference between uppermost part of the extension and the elbow pad (center) is 10 cm.

****Morphological exceptions: One exception is allowed, either for saddle position or handlebar position***.**

- For personal fit, the nose of the rider's saddle can be as far forward as the vertical line drawn through the center of the bottom bracket.
- For personal fit, the horizontal measurement of the handlebar extensions may be up to 80 cm as noted above.
- For riders 190cm or taller this distance may be increased to 85 cm

*****No rider can take both morphological exceptions.**

15-16 & AMATEUR MEN

1. In general, the regulations for bicycles are those of USA Cycling. Please refer to section 11 – Bicycles, in the USA Cycling rulebook: **Chapter 1 General Regulations**

The main points are:

- a. Bicycles may be no more than 2 meters long and 75 cm wide.
- b. There may be no protective shield, fairing, or other device on any part of the bicycle, which has the effect of reducing air resistance except that spoke covers may be used. (Tri-bike tool pods, extreme water bottles).
- c. Wheels may be made with spokes or solid construction.
- d. The handlebar ends shall be solidly plugged.
- e. Handlebars with ends, features, or attachments that extend forward or upward or that provide support for other than the rider's hands are permitted only in time trial events.
- f. Brake controls attached to the handlebars and operable with the hands.

Per USA Cycling regulations, these additional UCI regulations will be in effect for mass start events and individual time trials:

- g. Bicycle frames must be of double triangle construction.
 - h. Wheels must be of the same diameter, between 55.0 and 70.0 cm.
2. Junior gear development (roll-out) is limited to 26' and no blocked or restricted gears are allowed. Regulation 114(a)
3. Disc brakes are allowed in all events and categories.

14 & UNDER

1. Juniors, race age 14 and younger, are restricted to massed-start bicycles in the road race and time trial
2. These bicycles must also have wheels with at least 16 spokes and no wheel covers may be used
3. A gear development limit (roll-out) of 26' is in effect, no blocked or restricted gears. Regulation 114(a)
4. Disc brakes are allowed in all events and categories.
