

MASTERS TRACK NATIONAL CHAMPIONSHIPS

SEPT 2021 • BREINIGSVILLE, PA

Below you will find final event COVID protocol for Masters Track Nationals. This protocol is a mixture of information from the CDC, as well as from our Chief Medical Officer. We ask that all of these protocols be followed while at the event.

Updated September 3, 2021

1. Testing requirements
 - a. Type of test required- PCR or antigen testing.
 - b. Who is required to test
 - i. Every racer and any individual in the infield supporting riders.
 - c. Timing of testing is within 3 days of registration/packet pickup. A [timeline can be found here.](#)
 - d. Test results will be required to pick up numbers or infield passes.
 - i. If someone has tested positive and they have already arrived in Pennsylvania- please contact Tara McCarthy, tmccarthy@usacycling.org for further guidance. They will not be allowed at the event venue for any reason.
2. Mask requirements
 - a. All riders and support/staff wear masks during registration, meetings, and any other indoor spaces, including restrooms, regardless of vaccination status.
3. General requirements
 - a. Daily self-health check, <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/coronavirus-self-checker.html>.
 - b. Anyone showing symptoms may not come to the event venue.
 - c. Contact Tara McCarthy, tmccarthy@usacycling.org if athlete or rider support/staff is showing symptoms or are alerted that someone they've been in close contact is showing symptoms for further guidance.
 - d. Maintain social distancing.
 - e. No contact at the finish line or awards ceremony.
