

JUNIOR & ELITE TRACK NATIONAL CHAMPIONSHIPS

JULY 2022 • BREINIGSVILLE, PA

Below you will find COVID protocol for Junior and Elite Track National Championships. At this time, we have reduced testing requirements to a recommendation. While we are not collecting vaccine or negative COVID test results at packet pickup we are requiring anyone who does test positive while at the event, showing symptoms, or has an exposure notification to follow the general requirements below.

Updated July 11, 2022

1. Testing recommendations
 - a. Who is recommended to test
 - i. All racers who are not fully vaccinated, no matter of age.
 - ii. Fully vaccinated racers are not required to get tested.
 1. Per the CDC, people are considered fully vaccinated 2 weeks after their second vaccine dose in a 2-dose series, such as the Pfizer or Moderna vaccines or 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine.
 - b. Type of test recommended- PCR or rapid antigen testing aka as a rapid COVID test.
 - c. Timing of testing is within 3 days of registration/packet pickup.
2. General requirements
 - a. Anyone showing symptoms may not come to the event venue.
 - b. Contact Tara McCarthy, tmccarthy@usacycling.org for further guidance if an athlete or rider support/staff is showing symptoms, tests positive for COVID while onsite, or are alerted that someone they have been in close contact is showing symptoms.
